Networking Questions to Consider

What made you choose this as your career?

What's the most interesting thing you've worked on lately?

What do you love most about your job?

What was your first job?

How long have you been at your current job?

What is the most frustrating thing about your job?

What are your goals when it comes to work?

What inspires you at work each day?

If you could change one thing about this industry, what would it be?

Who has been your career role model?

What's the most interesting thing you've learned at work?

Do you ever travel for your job? Where have you gone?

How do you keep yourself organized every day?

What's your best strategy to manage emails?

What do you think makes someone a great manager?

What's the biggest challenge you've taken on this year?

What's your favorite project you've worked on so far?

What do you find most beneficial about connecting with peers at meetings and events?
